

KMBPS offers optional transport facilities for day scholars. Our fleet compromise of modern buses and vans which comply with all NTSA regulations for pupils safety

Daily School Transport is available for Kerugoya, Kagumo, Mutira, Baricho, Kagio, Kutus and sorrounding areas

HEALTH ISSUES

We have a certified school clinic qualified Nurses and Doctors ready to attend to any eventualities. All absences must be notified by telephone call or reported by parent/ guardian. Our staff follow strict guidelines when medicines are administered during school times. We have qualified first aiders in school for minor ailments and injuries.

COMPUTER CLASSES

Developing computational thinking in learners is done from an early age making us unique among all schools in Kirinyaga to have all classes and offices connected to internet. Our well equipped computer labs and computer literate teachers guide children on resources, basic skills, communication skills, digital literacy and imagination.

AVIATION CLUB

At KMBPS, our Aviation Club inspires students to reach new heights - literary and metaphorically. Students explore aeronautical science, learn aircraft mechanics and develop critical skills in navigation and aerospace technology. Through hands-on expert guest lecturers and collaborative projects, we nurture future pilots, engineers and professionals, transforming classroom learning into extraordinary career pathways.

Dear Parents/ Guardians

Welcome to KMBS

Since its inception in 1992 on strong Christian Foundation, Kerugoya Municipality Boarding Primary School (KMBPS) has achieved academic excellence through hard work and strong academic values. KMBPS is an educational oasis in Central Kenya. We are focused on delivering the CBC curriculum with proven, up-to-date methodology and support pupils to understand and acquire the skills and values of the CBC learner's profile. The attributes our learners develop enables them to successfully transite from primary to universities worldwide

I look forward to welcoming you to KMBS, a global village in the slope of Mt Kenya.

SOLOMON MUNENE
School Manager

Early Years Programme:

Play group to Pre-school

Early Years lessons are child-centred. Our early years teachers support this natural inclination with an individualised learning model.

Educational Philosophy & Academic Programme

An inspired school

Inside the new CBC Curriculum

We have understood and implemented Competence-Based Curriculum (CBC) education which empowers pupils with real-world skills through personalized, hands-on learning, fostering critical thinking and collaboration for future success

Comfort and Care

Boarding Haven and Spacious dormitories managed by dedicated matrons who provide 24/7 nurturing support. A home away from home at KMBS.

Pupils Graduation for lower level group

This is conducted yearly for every level; Play Group, Lower, Middle, and Junior School starting 2025 academic year under CBC curriculum

Fire Precautions

Our School is installed with fire alarm and CCTV systems to detect fire warnings, hazards and any security warnings, any security risks. Quick detection of fire gives the best chance of escape for everyone on the school compound. We carry out regular fire drills for safety and ensure that everyone knows what to do in case of fire alarm. In addition the school is well equipped with fire extinguishers in all areas. School matrons are at all times on supervision for children's safety.

Sports EVENTS

As one of the central pillars of an Inspired education, participation in sports programmes allows pupils to learn about healthy lifestyles, discover pupils talents and develop necessary life skills such as perseverance, collaboration, teamwork, critical thinking, leadership, and ethics. We also encourage various Indoor sports which includes; Chess, Scramble, Table Tennis, Badminton among others.
